The first, to remove language that triggers application filing within 30 days of the posting of Round Two Questions & Answers and to establish an application submission date of June 27, 2025. Additionally, dates for the establishment of Community Advisory Boards, and decisions for recommendations for licensing by the Gaming Facility Location Board and licensing determination by the Gaming Commission were also amended. The second amendment sought to add Member Carlos Naudon to the Introduction letter.

Prior to consideration, the Chair sought to amend the application deadline proposal, noting the intent was to align the application Return Date with the New York City text amendment deadline for obtaining zoning as a right. She advised the City text amendment requires applications be submitted to the State before June 30, 2025, thus applications submitted on Monday, June 30, 2025 would not be covered by the City text amendment. The Chair recommended a change of the Return Date and the CAC commencement date to embrace the City limitation, suggesting Friday, June 27, 2025, so as to avoid concerns on weekend submissions.
