SUBMIT G110.AVENIR. CONFLICTS

A description of any relationship or affiliation of the Applicant, the Operator or any of their respective Affiliates that currently exists or existed in the past 5 years with any member, employee, consultant or agent of the Board or the Commission that is a conflict of interest or may be perceived as a conflict of interest during the RFA process. Further, if any such conflict should arise during the term of the RFA process, the Applicant shall notify the Board separately, in writing (and electronically), of such conflict.

The phrase "any relationship or affiliation" is intended to mean any connection, whether financial, contractual, ownership, professional, social or otherwise, between a person or entity and another person or entity. The phrase "conflict of interest" is intended to mean any relationship, affiliation or situation that could be reasonably interpreted to compromise the integrity of the Application selection process by creating a risk that professional judgment or actions will be influenced unduly by a secondary interest.

Applicants are encouraged to err on the side of disclosure of any relationship, affiliation or situation that could be a direct or indirect conflict of interest or perceived conflict of interest.

The Board shall make the final determination as to whether any activity constitutes a conflict of interest pursuant to this provision. The Board's decision shall be final and without recourse; however, the Board will not make any such decision without providing the Applicant or the Operator, as applicable, with an opportunity to present comments.

If an Applicant does not identify any direct or indirect conflict of interest, or perceived conflict of interest, the Applicant shall state that no conflict or perceived conflict of interest exists with respect to its proposal. If the Applicant identifies a conflict of interest or perceived conflict of interest, the Applicant shall disclose the conflict and the steps the Applicant will take to resolve such conflict.

CONFIDENTIAL. *Refer to the accompanying redacted copy and FOIL Statement of Necessity.*
