Applicant will employ an on-site casino management team (e.g., General Manager, Vice Presidents, and Supervisors) to manage day-to-day gaming operations of its casino. Additionally, Applicant will engage Rush Street Gaming, LLC to provide certain gaming oversight and operational support services to Applicant. Applicant anticipates that the agreement with Rush Street Gaming for these services will be substantially similar to the existing Shared Services Agreement between Rush Street Gaming, LLC and Capital Region Gaming, LLC, related to the Rivers Casino & Resort Schenectady (the "Shared Services Agreement").
